For: Compensating for Random Robbed Bit Signaling

COMMENTS ON STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

The Notice of Allowability mailed on 12/15/06 contains an Examiner's Statement of Reasons for Allowance. The Statement appears to cite only a portion of the claim language from each of independent claims 1, 5, 9, 11, and 19. The Applicant submits that each of the independent claims recites additional language. To that extent, the Applicant objects to the Statement. In general, to the extent that the Statement differs from the language of any of the independent claims, the Applicant rejects any narrowing or limitations that might possibly result from such differences. For each of these reasons individually and for all these reasons collectively, the Applicant objects to the Statement.

Respectfully submitted,

Date: 01/04/2007
